To
The Board of Directors of
DCM Limited
New Delhi

Report on the Audit of the Standalone Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date standalone financial results of **DCM Limited** (the "Company") for the quarter and the year ended March 31, 2021 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI Listing Obligations and Disclosure Requirements Regulations, 2015, as amended (the "Listing Regulations").

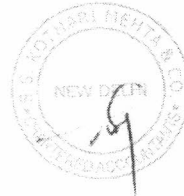

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and total comprehensive loss and other financial information of the Company for the quarter and year ended March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following:

- i. Note 4 of the Statement, during the previous year in view of continued situation of industrial unrest Company has declared lockout at its engineering business undertaking. On the basis of legal advice Management of the Company is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to March 31, 2021 aggregating to Rs. 2721 lakhs (current quarter is Rs. 442 lakhs).
- ii. Note 7 to the Statements, which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. Further, our attendance at the physical verification of inventory done by the management was impracticable under the current pandemic situation and we have therefore, relied on the related alternate audit procedures to obtain comfort over the existence and condition of inventory at year end.
- iii. Note 8 to the Statements, the Company has received certain recovery notices from creditors and a bank. Pursuant to the restructuring scheme approved by the Board of the Company the settlement of all such creditors and bank has already been provided for in this Scheme. In addition the Company is taking other interim measures as explained in the said Note 8 to improve liquidity including proposed Right Issue of equity shares, management action is also explained in the said note.

Material Uncertainty on Going Concern

We draw attention to Note: 6 of the Statement highlighting that due to recession in automotive sector and industrial unrest the Company is facing liquidity issues towards clearing of its statutory dues, vendor payments and borrowings pertaining to its Engineering Division. This has significantly eroded the Company's net worth and the current liabilities exceed the current assets by Rs. 7,398 lakhs as at March 31, 2021. The Company has initiated restructuring of its Engineering Division as explained in the Note: 4. The management of Company believes that with the restructuring of its Engineering Business Undertaking along with the debt pertaining to said undertaking and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation, the Company will be able to continue its operation on a going concern basis. Accordingly, the statement of the Company has been prepared on a going concern basis. Our opinion is not modified in respect of this matter.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Consequently, the financial results for the year ended March 31, 2020 of the Company exclude the IT Division which is disclosed as discontinued operations in the previous periods/ year.

Break up of discontinued operations is as under:

Rs. In Lakhs

4. In view of continued situation of industrial unrest at Engineering Business Division of the Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Division has recommended to declare a lockout. The Board of Directors of the Company in their meeting held on October 21, 2019 has accordingly approved the declaration of lockout at its said Engineering Business Undertaking w.e.f. October 22, 2019.

The said lockout was opposed by the workmen of said Engineering Division before the Labour Authorities. Based on the legal advice received by the Company, the management is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to March 31, 2021 aggregating to Rs. 2721 lakh out of which Rs. 442 lakh pertains to quarter ended on March 31, 2021.

5. Board of Directors of the Company in its meeting held on November 28, 2019 have approved a composite scheme of arrangement for transfer of its "Engineering Business undertaking "to its wholly owned subsidiary namely DCM Engineering Limited (formerly known as DCM Tools and Dies Limited), on a going concern basis with effect from the appointed date of October 01, 2019 and restructuring of outstanding loans, debts and liabilities of the Engineering Business Undertaking. The above Scheme was filed with the Stock Exchanges viz. Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) for seeking their no-objection. The Company has received observation letter dated June 24, 2020 from BSE Limited and National Stock Exchange Limited (Stock Exchanges) enabling the Company to file the Scheme with Hon'ble National

Company Law Tribunal (NCLT) for seeking their approval. The filing of Scheme remains pending awaiting in principle approval of secured lenders (Banks). The said approval of the Stock Exchanges was valid till December 23, 2020. Pursuant to above, the Company has filed the application(s) to the Stock Exchanges on December 22, 2020 and June 28, 2021 for seeking their approval for extension of time for enabling the Company to file the scheme before NCLT for seeking their approval under Section 230 – 232 of the Companies Act, 2013 with due compliance. The Company has been in discussion with the secured lenders at all level in this regard.

Since, the aforesaid Scheme is subject to approval from concerned regulatory authorities which is considered to be substantive, the accounting effect of the above Scheme has not been considered in these standalone financial results.

6. Due to continued situation of industrial unrest coupled with automotive recession, the Company is currently facing liquidity issues towards clearing of statutory dues, vendor payments and repayment of borrowings pertaining to its Engineering Division. This has significantly reduced the Company's net worth and the current liabilities exceed the current assets by Rs.7398 lakhs as at March 31, 2021. The Company is taking requisite steps to improve the liquidity and manage the existing situation.

The Scheme of Arrangement mentioned in note 5 above has been made with a view to restore profitability and revive the said Engineering Business Undertaking (Undertaking) by facilitating strategic investment and further sale of surplus piece of land and restructuring of outstanding loans, debts and liabilities pertaining to the Engineering Business to revive the said undertaking and infuse sufficient liquidity.

The management believes that with the above restructuring of Engineering Business Undertaking along with the debt pertaining to said Undertaking and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation as well as other interim measures to improve liquidity including proposed Right Issue approved by the Board in its meeting held on February 12, 2021, the Company will be able to continue its operation on a going concern basis.

Accordingly, the financial results of the Company have been prepared on a going concern basis.

7. COVID-19 PANDEMIC AND ITS IMPACT

The Ministry of Home Affairs, Government of India on March 24, 2020 notified the first ever nationwide lockdown in India to contain the outbreak of Covid-19 pandemic. The Government has started to lift the lockdown in phases from the beginning of May 2020.

The Management has been closely reviewing the impact of COVID-19 on the Company. Due to continuation of lockout of Engineering Business Unit (Engineering Business Undertaking), declared on October 22, 2019, the operation of the said Business Unit remained suspended during the lock down period on account of COVID-19. Based on current indicators of future economic conditions, the Company has concluded that although due to Covid 19 the Company's initiatives of restructuring of Engineering Business Undertaking and infusing liquidity by focusing /managing of its real estate operation are taking time, however, the impact of COVID 19 is not material on long term basis on the future potential of its said Engineering Business Unit and Real Estate operation. Due to the nature

of the pandemic, the Company will continue to monitor any material changes on the future economic conditions and relating to its Businesses in future periods.

8. The Company has received certain recovery notices/petitions from the creditors. A Bank has filed a suit for recovery and served demand notice u/s 13(2) under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 which has been stayed by the Hon'ble High court of Punjab & Haryana. Pursuant to the restructuring scheme approved by the Board of the Company, the settlement of all such creditors and bank has already been provided for in the said Scheme (refer note 5 above). In addition to the said Restructuring Scheme, the Company is also taking other interim measures to improve liquidity including proposed Right Issue of equity shares approved by the Board in its meeting held on February 12, 2021, to augment capital and expedite to complete the de-leveraging of the Company.
9. The figures for the previous periods have been regrouped / rearranged wherever necessary. The figures of last quarters are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the relevant financial years.
10. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on June 29, 2021 through video conferencing. - iii. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of the consolidated net profit/(loss) and other comprehensive income/(loss) and other financial information of the Group and its jointly controlled entity (including its subsidiary companies) for the quarter and year ended March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group and its jointly controlled entity (including its subsidiary companies) in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us & other auditors in terms of their reports as referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following:

- i. Note 3 of the Statement, during the previous year in view of continued situation of industrial unrest, Holding Company has declared lockout at its engineering business undertaking. On the basis of legal advice, Management of the Holding Company is of the view that the present lockout is legal and justified. Therefore, the Holding Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to March 31, 2021 aggregating to Rs. 2721 lakhs (current quarter is Rs. 442 lakhs).

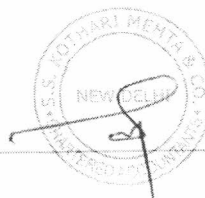

- ii. Note 7 to the Statements, which describes the uncertainties and the impact of Covid-19 pandemic on the Group's and its jointly controlled entity (including its subsidiary companies) operations and results as assessed by the management. Further, our attendance at the physical verification of inventory done by the management of the Holding Company was impracticable under the current pandemic situation and we have therefore, relied on the related alternate audit procedures to obtain comfort over the existence and condition of inventory at year end.
- iii. Note 8 to the Statements, the Holding Company has received certain recovery notices from creditors and a bank. Pursuant to the restructuring scheme approved by the Board of the Company the settlement of all such creditors and bank has already been provided for in this Scheme. In addition, the Holding Company is taking other interim measures as explained in the said Note 8 to improve liquidity including proposed Right Issue of equity shares, management action is also explained in the said note.

Material Uncertainty on Going Concern

We draw attention to Note 5 of the Statement highlighting that due to recession in automotive sector and industrial unrest the Group is facing liquidity issues towards clearing of its statutory dues, vendor payments and borrowings pertaining to its Engineering Division. This has significantly eroded the Group's net worth and the current liabilities exceed the current assets by Rs. 6050 lakh as at March 31, 2021. The Company has initiated restructuring of its Engineering Division as explained in note 4. The management of Holding Company believes that with the restructuring of its Engineering Business Undertaking along with the debt pertaining to said undertaking and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation, the Group will be able to continue its operation on a going concern basis. Accordingly, the statement of the Group and Jointly controlled entity (including its subsidiary companies) have been prepared on a going concern basis. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net (loss) and other comprehensive (loss) and other financial information of the Group in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the companies included in the Group and Jointly controlled entity (including its subsidiary companies) are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective companies included in the Group and Jointly controlled entity (including its subsidiary companies) and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the Board of Directors of the companies included in the Group and Jointly controlled entity (including its subsidiary companies) are responsible for assessing the ability of their respective companies included in the Group and Jointly controlled entity (including its subsidiary companies) to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group and Jointly controlled entity (including its subsidiary companies) or to cease operations, or has no realistic alternative but to do so.

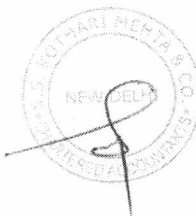

The Board of Directors of the companies included in the Group and Jointly controlled entity (including its subsidiary companies) are also responsible for overseeing the financial reporting process of their respective companies included in the Group and Jointly controlled entity (including its subsidiary companies).

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company, subsidiary companies and jointly controlled entity (including its subsidiaries) incorporated in India (based on the auditor's report of the subsidiary companies and Jointly controlled entity) has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group or its jointly controlled entity of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision, and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and

other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

3. In view of continued situation of industrial unrest at Engineering Business Division of the Holding Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Division has recommended to declare a lockout. The Board of Directors of the Company in their meeting held on October 21, 2019 has accordingly approved the declaration of lockout at its said Engineering Business Undertaking w.e.f. October 22, 2019.

The said lockout was opposed by the workmen of said Engineering Division before the Labour Authorities. Based on the legal advice received by the Company, the management is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to March 31, 2021 aggregating to Rs. 2721 lakhs out of which Rs. 442 lakhs pertains to quarter ended on March 31, 2021.

4. The Group is taking requisite steps to improve the liquidity and manage the existing situation.

The Scheme of Arrangement mentioned in note 4 has been made with a view to restore profitability and revive the said Engineering Business Undertaking (Undertaking) by facilitating strategic investment and further sale of surplus piece of land and restructuring of outstanding loans, debts and liabilities pertaining to the Engineering Business to revive the said undertaking and infuse sufficient liquidity.

The management believes that with the above restructuring of Engineering Business Undertaking along with the debt pertaining to said Undertaking and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation as well as other interim measures to improve liquidity including proposed Right Issue approved by the Board in its meeting held on February 12, 2021, the Group will be able to continue its operation on a going concern basis.
