2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable.
3. In view of continued situation of industrial unrest at Engineering Business Division of the Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Division has recommended to declare a lockout. The Board of Directors of the Company in their meeting held on October 21, 2019 has accordingly approved the declaration of lockout at its said Engineering Business Undertaking w.e.f. October 22, 2019.

The said lockout was opposed by the workmen of said Engineering Division before the Labour Authorities. Presently the matter is sub judicial before labour authorities.

Based on the legal advice received by the Company, the management is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to December 31, 2021 aggregating to Rs. 3997 lakh out of which Rs. 418 lakh pertain to quarter ended on December 31, 2021.

4. Board of Directors of the Company in its meeting held on November 28, 2019 have approved a composite scheme of arrangement for transfer of its "Engineering Business undertaking" to its wholly owned subsidiary namely DCM Engineering Limited (formerly known as DCM Tools and Dies Limited), on a going concern basis with effect from the appointed date of October 01, 2019 and restructuring of outstanding loans, debts and liabilities of the Engineering Business Undertaking. The above Scheme was filed with the Stock Exchanges viz. Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) for seeking their no-objection. The Company has received observation letter dated June 24, 2020 from BSE Limited and National Stock Exchange Limited (Stock Exchanges) enabling the Company to file the Scheme with Hon'ble National Company Law Tribunal (NCLT) for seeking their approval. The filing of Scheme remains pending awaiting in principle approval of secured lenders (Banks). The said approval of the Stock Exchanges was valid till December 23, 2020. Pursuant to above, the Company has filed the application(s) to the Stock Exchanges on December 22, 2020 and June 28, 2021 for seeking their approval for extension of time for enabling the Company to file the scheme before NCLT for seeking their approval under Section 230 – 232 of the Companies Act, 2013 with due compliance. The Company has been in discussion with the secured lenders at all level in this regard.

Since, the aforesaid Scheme is subject to approval from concerned regulatory authorities which is considered to be substantive, the accounting effect of the above Scheme has not been considered in these standalone financial results.

5. Due to continued situation of industrial unrest, the Company is currently facing liquidity issues towards clearing of statutory dues, vendor payments and repayment of borrowings pertaining to its Engineering Division. This has significantly reduced the Company's net worth and the current liabilities exceed the current assets by Rs.5323 lakhs as at December 31, 2021. The Company is taking requisite steps to improve the liquidity and manage the existing situation.

The Scheme of Arrangement mentioned in note 4 above has been made with a view to restore profitability and revive the said Engineering Business Undertaking (Undertaking) by facilitating strategic investment and further sale of surplus piece of land and restructuring of outstanding loans, debts and liabilities pertaining to the Engineering Business to revive the said undertaking and infuse sufficient liquidity.

The management believes that with the above restructuring of Engineering Business Undertaking along with the debt pertaining to said Undertaking and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation as well as other interim measures to improve liquidity including proposed

Right Issue approved by the Board in its meeting held on February 12, 2021, the Company will be able to continue its operation on a going concern basis.

Accordingly, the financial results of the Company have been prepared on a going concern basis.

6. Other income includes income from transfer of right in residential flats of amount Rs.59 lakh for the quarter ended December 31, 2021 and Rs.1443 lakh for the Nine months ended December 31, 2021 and Liabilities / Provision no longer required written back of amount Rs. 113 lakh for the quarter ended December 31, 2021 and Rs. 807 lakh for the nine months ended December 31, 2021.

7. Covid-19 Pandemic and Its Impact

The Covid-19 impact remains a serious concern for governments and businesses. The Company has implemented Standard Operating Procedures of social distancing, workplace sanitization and employee health monitoring, and these are being followed strictly.

The Management has been closely reviewing the impact of COVID- 19 on the Company. Due to continuation of lockout of Engineering Business Unit (Engineering Business Undertaking), declared on October 22, 2019, the operation of the said Business Unit remained suspended during the lock down period on account of COVID-19. Based on current indicators of future economic conditions, the Company has concluded that although due to Covid 19 the Company's initiatives of restructuring of Engineering Business Undertaking and infusing liquidity by focusing /managing of its real estate operation are taking time, however, the impact of COVID 19 is not material on long term basis on the future potential of its said Engineering Business Unit and Real Estate operation. Due to the nature of the pandemic, the Company will continue to monitor any material changes on the future economic conditions and relating to its Businesses in future periods.

8. The Company has received certain recovery notices/petitions from the creditors and the bankers who have provided working capital/terms loan facilities to the Engineering Division of the Company. A Bank has filed a suit for recovery and served demand notice u/s 13(2) under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI) which has been stayed by the Hon'ble High court of Punjab & Haryana. Other two bankers have also served notice u/s 13 SARFAESI Act. The Company has duly replied these notices.

The banking operation of current account(s) maintained by the Company has been discontinued by the Bankers in view of notification of RBI restricting opening/operation of current account by customers who have availed Cash Credit / Overdraft facilities. The Company has been taking necessary steps in this regard. This has adversely impacted the ability of the Company to run its day-to-day operations as its cash credit/overdraft accounts are classified as NPA. In view of above, as an interim measure, the day to day banking transaction of payment for statutory dues/overheads and/or other critical payments and also the receipts are facilitated by the Company through its one of the wholly owned subsidiary.

Pursuant to the restructuring scheme approved by the Board of the Company, the settlement of all such creditors and bank has already been provided for in the said Scheme (refer note 4 above). In addition to the said Restructuring Scheme, the Company is also taking other interim measures to improve liquidity including proposed Right Issue of equity shares approved by the Board in its meeting held on February 12, 2021, to augment capital and expedite to complete the de-leveraging of the Company.

9. The Company has reviewed the deferred tax asset/deferred tax liabilities on deductible/taxable temporary differences between tax base of asset and liabilities and their carrying amount for financial reporting purposes at each reporting date. However, due to continue situation of uncertainty of sufficient taxable profit to recover the accumulated losses and unused tax credits taxable profits in future years, deferred tax asset have not been considered in the financial results.
10. The figures for the previous periods have been regrouped / rearranged wherever necessary
11. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on February 11, 2022 through video conferencing. 2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognised accounting practices and policies to the extent applicable.
3. In view of continued situation of industrial unrest at Engineering Business Division of the Holding Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Division has recommended to declare a lockout. The Board of Directors of the Company in their meeting held on October 21, 2019 has accordingly approved the declaration of lockout at its said Engineering Business Undertaking w.e.f. October 22, 2019.

The said lockout was opposed by the workmen of said Engineering Division before the Labour Authorities. Presently the matter is sub judicial before labour authorities.

Based on the legal advice received by the Company, the management is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to December 31, 2021 aggregating to Rs. 3997 lakhs out of which Rs. 418 lakhs pertain to quarter ended on December 31, 2021.

4. Board of Directors of the Company in its meeting held on November 28, 2019 have approved a composite scheme of arrangement for transfer of its "Engineering Business undertaking "to its wholly owned subsidiary namely DCM Engineering Limited (formerly known as DCM Tools and Dies Limited), on a going concern basis with effect from the appointed date of October 01, 2019 and restructuring of outstanding loans, debts and liabilities of the Engineering Business Undertaking. The above Scheme was filed with the Stock Exchanges viz. Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) for seeking their no-objection. The filing of Scheme remain pending awaiting in principle approval of secured lenders (Banks). The said approval of the Stock Exchanges was valid till December 23, 2020. Pursuant to above, the Company has filed the application(s) to the Stock Exchanges on December 22, 2020 and June 28, 2021 for seeking their approval for extension of time for enabling the Company to file the scheme before NCLT for seeking their approval under Section 230 – 232 of the Companies Act, 2013 with due compliance. The Company has been in discussion with the secured lenders at all levels in this regard.

Since, the aforesaid Scheme is subject to approval from concerned regulatory authorities which is considered to be substantive, the accounting effect of the above Scheme has not been considered in these consolidated financial results

5. The Group is taking requisite steps to improve the liquidity and manage the existing situation.

The Scheme of Arrangement mentioned in note 4 has been made with a view to restore profitability and revive the said Engineering Business Undertaking (Undertaking) by facilitating strategic investment and further sale of surplus piece of land and restructuring of outstanding loans, debts

and liabilities pertaining to the Engineering Business to revive the said undertaking and infuse sufficient liquidity.

The management believes that with the above restructuring of Engineering Business Undertaking along with the debt pertaining to said Undertaking and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation as well as other interim measures to improve liquidity including proposed Right Issue approved by the Board in its meeting held on February 12, 2021, the Group will be able to continue its operation on a going concern basis.

The Covid-19 impact remains a serious concern for governments and businesses. The Group has implemented Standard Operating Procedures of social distancing, workplace sanitization and employee health monitoring, and these are being followed strictly.

The Management has been closely reviewing the impact of COVID- 19 on the Group. Due to continuation of lockout of Engineering Business Unit (Engineering Business Undertaking), declared on October 22, 2019, the operation of the said Business Unit remained suspended during the lock down period on account of COVID- 19. Based on current indicators of future economic conditions, the Group has concluded that although due to COVID 19 the Group's initiatives of restructuring of Engineering Business Undertaking and infusing liquidity by focusing /managing of its real estate operation are taking time, however, the impact of COVID 19 is not material on long term basis on the future potential of its said Engineering Business Unit and Real Estate operation.
