To

**The Board of Directors of
DCM Limited
New Delhi**

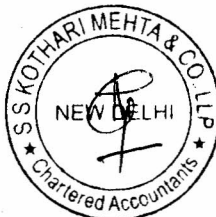

Report on the Audit of the Standalone Financial Results

Opinion

1. We have audited the accompanying statement of quarterly and year to date standalone financial results of **DCM Limited** (the "Company") for the quarter and year ended March 31, 2024 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
 - ii. gives a true and fair view in conformity with the applicable Indian accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information of the Company for the quarter and year ended March 31, 2024.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the statement.

Emphasis of Matter

4. We draw attention to Note 3 of the Statement wherein during the earlier year in view of continued situation of industrial unrest, the Company has declared lockout at its engineering business undertaking. On the basis of legal advice, management of the Company is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019, to March 31, 2024, aggregating to Rs. 6,776 lakhs (current quarter Rs. 192 lakhs). Our opinion is not modified in respect of this matter.

Material Uncertainty on Going Concern

5. We draw attention to Note 4 and 5 of the Statement highlighting that the Company has entered into a Joint Development Agreement (JDA) with a party for development of its Land situated at Hisar. The JDA is subject to fulfilment of certain terms and conditions by the said party as well as receipt of regulatory approvals. The JDA has become effective pursuant to compliance of certain terms and conditions in terms of said JDA.

The Director General, Town and Country Planning, Haryana has suspended the licence for development of the said land taking a note that an enquiry has been initiated against the Company in respect of the Company's land at Hisar. As per said Order, the licensee is directed not to carry out any development work on the above-mentioned land at Hisar and also not to create any third party rights unless the said suspension is revoked. The Company is taking appropriate action in the matter for the revocation of said suspension Order.

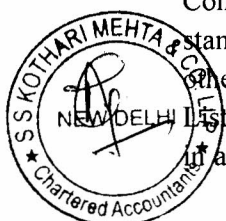

Pending revocation of said suspension of license, the advance of Rs. 5,000 lakhs received by the Company under the said JDA, has been shown under the current liabilities. Pursuant to above, the current liabilities of the Company including the said advance of Rs. 5,000 lakhs received under JDA exceed the current assets by Rs 4,039 lakh as at March 31, 2024. The management of the Company holds the view that the Company has merits in the case and is confident to get favourable order in the said matter of revocation of suspension order.

The management believes that with the revocation of said suspension Order of license and infusion of liquidity by focusing /managing of its real estate operation and/or the Company's plans of restructuring of its Engineering Business Undertaking as well as other interim measures to improve liquidity, the Company will be able to continue its operation for the foreseeable future. Accordingly, the financial results of the Company have been prepared on a going concern basis.

Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

6. The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive income of the Company and other financial information in accordance with the applicable Indian accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for

SS KOTHARI MEHTA & CO. LLP

CHARTERED ACCOUNTANTS

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are

SS KOTHARI MEHTA & CO. LLP

CHARTERED ACCOUNTANTS

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matters

The Statement includes the results for the quarter ended March 31, 2024, being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2024, and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable.
3. In view of the continued situation of industrial unrest at Engineering Business Undertaking (refer as Engineering Division) of the Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Engineering Division had recommended declaration of lockout. The Board of Directors of the Company in their meeting held on October 21, 2019 had accordingly approved the declaration of lockout at the Engineering Division w.e.f. October 22, 2019.

The lockout was opposed by the workmen of said Engineering Division before the Labour Authorities and presently the matter remains sub-judice before the labour authorities. Based on the legal advice received by the Company, the management is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period i.e., October 22, 2019 to March 31, 2024 of the workmen dues aggregating to Rs. 6776 lakh out of which Rs. 192 lakh pertain to quarter ended on March 31, 2024.

The Company is evaluating and pursuing various options concerning its Engineering business/operations. As and when anything is finalized, it shall seek requisite approvals from the Board and other stakeholders and make requisite intimations as required under applicable laws.. In the interim, the Company is continuing with its endeavors to upkeep the factory and to rationalize the workmen force.

4. The Company had signed a Joint Development Agreement ("JDA") for the development of its 68.35 acres of land situated in the revenue state of Village Bir Hisar, Sector-23, Hisar, Haryana (referred as "Hisar land" or "Project Land") on 11.08.2022 with a party subject to fulfillment of certain terms and conditions by the said party as well as receipt of regulatory approvals. In this connection, the Company had received a license no.179 of 2022 for joint development with the said party on November 10, 2022 in respect of 67.275 acres of said Hisar land under Regulation of Urban Area Act, 1975 for setting-up of affordable residential plotted colony under Deen Dayal Jan Awas Yojana-2016 (referred as "Project").

The Director General, Town and Country Planning, Haryana however suspended the said licensee no.179 of 2022 in April 2023 taking a note that an enquiry has been initiated against the Company by Deputy Commissioner in respect of the Company's land at Hisar.

The Company along with the Developer is putting-in earnest efforts to take up the matter of revocation of said suspension order with the concerned authorities. However, the said matter remained pending as on the date of approval of these audited results.

The Company as well as the Developer are hopeful that the requested revocation of the suspension order of License no.179 of 2022 will be acceded to by the authorities and that the development work on the land shall start soon thereafter and both parties are making endeavors to have this matter resolved at the earliest.

Vitendra Tuli

5. Pending revocation of suspension of license no.179 of 2022 by Director General, Town and Country Planning, Haryana (refer note 4 above), the advance of Rs. 5,000 lakh received under the JDA has been shown under the current liabilities. Pursuant to above, the current liabilities of the Company including the said advance of Rs. 5,000 lakh under JDA, exceed the current assets by Rs. 4039 lakh as at March 31, 2024.

The management believes that with the revocation of said suspension order of license no.179 of 2022 and infusion of liquidity by focusing /managing of its real estate operations and/or the Company's plans of restructuring of its Engineering Business Undertaking as well as other interim measures to improve liquidity, the Company will be able to continue its operations for the foreseeable future.

Accordingly, the financial results of the Company have been prepared on a going concern basis.

6. The Company holds 1,78,53,605 equity shares in Purearth Infrastructure Limited (PIL), a Joint Venture Company which constitute 16.56% holding of paid up equity share capital of PIL.

The shareholders of PIL in their Extra-Ordinary General Meeting held on 20.02.2024 approved the buy-back of upto 44,19,800 equity shares equivalent to 4.10% of shareholding of PIL at Rs.59/- per equity share.

The Company tendered its shareholding in PIL to the extent of 7,31,997 equity shares as eligible under the said buy-back scheme and received Rs.431.88 lakh during the month of March, 2024 towards the consideration for tendering the said 7,31,997 shares of PIL.

7. Other income includes profit of Rs. 358.68 lakh on account of sale of long term investment in PIL (refer note 6 above) during the quarter ended March 31, 2024 and Liabilities/Provision no longer required written back of Rs. 567.31 lakh for the quarter ended March 31,2024 and Rs. 927.14 lakh for the twelve months ended March 31, 2023.
8. The Company has reviewed the deferred tax asset/deferred tax liabilities on deductible/taxable temporary differences between tax base of asset and liabilities and their carrying amount for financial reporting purposes at each reporting date. However, due to continuing situation of uncertainty of sufficient taxable profit to recover the accumulated losses and unused tax credits against the taxable profits in future years, deferred tax asset have not been considered in the financial results.
9. The figures for the previous periods have been regrouped / rearranged wherever necessary.
10. Amount mentioned as '0' in the financial results is below rounding off threshold adopted by the Company. Adding the individual figures may therefore not always result in exact total given.
11. The figures for the quarter ended 31st March, 2024 and 31st March, 2023 are the balancing figures between the audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the relevant financial year.

12. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on May 27, 2024. The audit report of the statutory auditors is being filed with the BSE Ltd and National Stock Exchange of India Ltd. 4. We draw attention to Note 3 to the accompanying Statement highlighting that during the earlier year in view of continued situation of industrial unrest, Holding Company has declared lockout at its engineering business undertaking. On the basis of legal advice, Management of the Holding Company is of the view that the present lockout is legal and justified and therefore, the Holding Company has not made any provision for wages pertaining to the lockout period from October 22, 2019, to March 31, 2024, aggregating to Rs. 6,776 lakhs (current quarter and year Rs. 192 and Rs. 943 lakhs respectively). Our opinion is not modified in respect of this matter.

Material Uncertainty on Going Concern

5. We draw attention to Note 4 and 5 of the accompanying Statement highlighting that

The Holding Company has entered into a Joint Development Agreement (JDA) with a party for the development of its Land situated at Hisar. The JDA is subject to fulfilment of certain terms and conditions by the said party as well as receipt of regulatory approvals. The JDA has become effective pursuant to compliance of certain terms and conditions in terms of said JDA.

The Director General, Town and Country Planning, Haryana has suspended the license for development of the said land taking a note that an enquiry has been initiated against the Holding Company in respect of the Holding Company's land at Hisar. As per the said Order, the licensee is directed not to carry out any development work on the above-mentioned land at Hisar and also not to

create any third party rights unless the said suspension is revoked. The Holding Company is taking appropriate action in the matter for the revocation of said suspension Order.

Pending revocation of said suspension of license, the advance of Rs. 5,000 lakh received by the Holding Company under the said JDA, has been shown under the current liabilities. Pursuant to above, the current liabilities of the Group and jointly controlled entities including the said advance of Rs. 5,000 lakh received under JDA exceed the current assets by Rs 1,126 lakh as at March 31, 2024. The management of the Group and its jointly controlled entities holds the view that the Group has merits in the case and is confident to get favourable order in the said matter of revocation of suspension order.

The management believes that with the revocation of said suspension Order of license and infusion of liquidity by focusing /managing of its real estate operation and/or the Company's plans of restructuring of its Engineering Business Undertaking as well as other interim measures to improve liquidity, the Company will be able to continue its operation for the foreseeable future. Accordingly, the financial results of the Company have been prepared on a going concern basis.

Our opinion is not modified in respect of this matter.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the set of consolidated financial statements on whether the Group and its jointly controlled entities has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and jointly controlled entities to cease to continue as a going concern.

2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable.
3. In view of continued situation of industrial unrest at Engineering Business Undertaking (referred as Engineering Division) of the Holding Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Engineering Division had recommended declaration of lockout. The Board of Directors of the Holding Company in their meeting held on October 21, 2019 had accordingly approved the declaration of lockout at its Engineering Division w.e.f. October 22, 2019.

The lockout was opposed by the workmen of said Engineering Division before the Labour Authorities and presently the matter remains sub-judice before the labour authorities. Based on the legal advice received by the Holding Company, the management is of the view that the present lockout is legal and justified. Therefore, the Holding Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to March 31, 2024 of the workmen dues aggregating to Rs. 6776 lakh out of which Rs. 192 lakh pertain to quarter ended on March 31, 2024.

The Holding Company is evaluating and pursuing all options concerning its Engineering Business and Operations and on having finalized any such feasible option, the Holding Company will make fresh proposal for the revival of its said Business in consultation with the legal and Tax Consultant(s) after its approval by the Board. In the interim, the Holding Company has continuously been working for better upkeep of the factory and to rationalize the workmen force.

4. The Holding Company had signed a Joint Development Agreement ("JDA") for the development of its 68.35 acres of land situated in the revenue state of Village Bir Hisar, Sector-23, Hisar, Haryana (referred as "Hisar land" or "Project Land") on 11.08.2022 with a party subject to fulfillment of certain terms and conditions by the said party as well as receipt of regulatory approvals. In this connection, the Holding Company had received a license no.179 of 2022 for joint development with the said party on November 10, 2022 in respect of 67.275 acres of said Hisar land under Regulation of Urban Area Act, 1975 for setting-up of affordable residential plotted colony under Deen Dayal Jan Awas Yojana-2016 (referred as "Project").

The Director General, Town and Country Planning, Haryana however suspended the said licensee no.179 of 2022 in April 2023 taking a note that an enquiry has been initiated against the Company by Deputy Commissioner in respect of the Company's land at Hisar.

The Holding Company along with the Developer is putting-in earnest efforts to take up the matter of revocation of said suspension order with the concerned authorities. However, the said matter remained pending as on the date of approval of these audited results.

The Holding Company as well as the Developer are hopeful that the requested revocation of the suspension order of License no.179 of 2022 will be acceded to by the authorities and that the development work on the land shall start soon thereafter and both parties are making endeavors to have this matter resolved at the earliest.

5. Pending revocation of suspension of license no.179 of 2022 by Director General, Town and Country Planning, Haryana, (refer note 4 above), the advance of Rs. 5,000 lakh received under JDA in Holding Company has been shown under the current liabilities. Pursuant to above, the current liabilities of the Group including the said advance of Rs. 5,000 lakh under JDA, exceed the current assets by Rs. 1126 lakh as at March 31, 2024.

The Holding Company management believes that with the revocation of said suspension order of license no.179 of 2022 and infusion of liquidity by focusing /managing of its real estate operation and/or the Company's plans of restructuring of its Engineering Business Undertaking as well as other interim measures to improve liquidity, the Company will be able to continue its operation for the foreseeable future.

Accordingly, the financial results of the Holding Company have been prepared on a going concern basis.

6. The Holding Company holds 1,78,53,605 equity shares in Purearth Infrastructure Limited (PIL), a Joint Venture Company which constitute 16.56% holding of paid up equity share capital of PIL.

The shareholders of PIL in their Extra-Ordinary General Meeting held on 20.02.2024 approved the buy-back of upto 44,19,800 equity shares equivalent to 4.10% of shareholding of PIL at Rs.59/- per equity share.

The Holding Company tendered its shareholding in PIL to the extent of 7,31,997 equity shares as eligible under the said buy-back scheme and received Rs.431.88 lakh during the month of March, 2024 towards the consideration for tendering the said 7,31,997 shares of PIL.

7. Other income includes profit of Rs. 358.68 lakh on account of sale of long term investment in PIL (refer note 6 above) during the quarter ended March 31, 2024 and Liabilities/Provision no longer required written back of the Group Company of Rs. 594.79 lakh for the quarter ended March 31,2024 and Rs. 941.05 lakh for the twelve months ended March 31, 2023.
